How to get a call from a recruiter? - tamersalama Hi HN,I have been laid off for the second time in a row. I have an offer to join as senior developer and start in 1 months. The next step is to get an appointment with recruiter and fill the resume. I am 100% sure that this is a better position than my last one. However, I do not know where to start from. I already have all the documents required by the recruiter, including my resume, my references, and my best communication skills. I just do not know how to start looking for this contact.Please any advice will be greatly appreciated. ===== gesman Does your last employer do background check for your previous employees? ~~~ tamersalama I am not really sure about this. I am not from the US. The previous job was for a company which is doing background checks on all employees.
