The Working Class is Dead - djsumdog ====== gaze Shouldn't this be titled "No Longer a Necessity?" and properly use the word "workers" when talking about the working class? Workers are in precarious positions, they are called the working class now because they've lost their power. In France a second-class nation is defined as a second-class nation). It's not clear that this is the correct term. There are two broadly defined groups of workers: Those who are working for a company and those who are working for themselves. I don't really see how either of these are being displaced by the lower classes.
