A: I would recommend following the Installation guide for your version of Delphi. Muzei is an easy to use, beautiful and free app that you can use to add cool widgets to your Android phone for quick access to the Internet, music and more. Install Muzei on your Android smartphone. Double-tap the Muzei icon to activate. Tap Menu to access the frequently used widgets and menus. The widget allows you to quickly access the Web, or you can easily browse through all the music, movies and more on your phone. In addition, you can customize your Muzei to your liking by swiping the widgets left or right to use the different pages. Top Add-ons Disclaimer The free version of Muzei is a limited demo. This add-on is compatible only with Muzei Free Version. It is not compatible with Muzei Pro or Muzei Ultimate. You must delete the default version of Muzei by going to Settings->Apps->Muzei->Delete default app. You may wish to enable Muzei FREE but you should read the terms of use and make your own decision NOTICE: This application is for personal use only; we do not host or offer any content or software for download through the app. Please read Muzei's terms of use: Muzei Pro Muzei Pro allows you to do many things that add more features to Muzei, like the ability to search, organize, share, play, even create your own widgets on your phone. Please notice that Muzei Pro is a paid app. NOTICE: This application is for personal use only; we do not host or offer any content or software for download through the app. Please read Muzei's terms of use: NOTE: You will receive a notification to upgrade to Muzei Pro when you run the app for the first time. HOW TO INSTALL Muzei PRO: Tap the Muzei PRO icon in Muzei to open the Muzei PRO in the Play Store. Purchase Muzei PRO in
