How to install Dll? Beside the complete answer I have some doubts about the installation process, regarding Dll files: 1- If I find a dll file with md5sum (e.g., sqlbrowser.dll) that contains a md5 value different than the files that are in the Dll-sdbbv's folder then the file is corrupted, and I should download a new dll from the site. 2- Is it a good practice to install dll files manually or should I always use the
