provide video links that actually work! I remember watching a few links that were basically dead, that you had on your site a few months back and thought to myself "damn that was a waste of time! I was going to wait for the'supposedly' legit links to come out" and then my friend suggested using your script, then I downloaded it and it's been great! A few members of my group asked if I had the link to your script that you had mentioned before, so I thought I would share that info! Thanks for all of your hard work and I hope to see some more of your links soon!" "I received your free script last night and I would just like to give you an update on my efforts. I did my first test run last night and I really like what I saw and hope to implement a similar method myself. I have recommended the script to other friends of mine and I will give you a call to let you know if I need
