RAD Studio 11 adds high-resolution support to the IDE, enabling developers to work on large, high-resolution screens. Full support for the latest 4k+ high resolution video. The new release of RAD Studio is the result of a continuous process of improving the development environment and includes a new version of the Object Pascal programming language (Delphi 11) and the C++ object-oriented programming language. RAD Studio 11 is a complete rapid application development (RAD) solution for Windows, iOS, Android and other platforms.
