I pulled it out and it was a little rooster plant, and what a little rooster plant! This little guy is over two inches tall, and is a gorgeous red. He is starting to grow leaves on his 6 long stalks. I knew that the little girls wanted a small plant so I named him Cooter (for his red color, and to impress them of course). I fed him some sort of fertilizer on top of the plastic and he is growing like crazy. He has already started producing roosters, and I have been hearing them for days. I can't wait for them to visit him and to observe him grow. Cooter is right at the top of the plants, and is doing fine so far. He is going to be a great addition to the room.Ibis, New York Ibis is a town in Albany County, New

York, United States, on the western shore of the Hudson River. The population was 11,202 at the 2010 census. The town is named after the Ibis Hotel on Broadway. The town is part of the Albany metropolitan area and is located in the northwest corner of the county. The town is in the northwestern corner of Albany County. The Town of Igby is located adjacent to the city of Albany, in an area that is generally considered within the city. History The area now known as Igby was first settled in the 17th century. In 1634, Holland's Purchase encompassed all of present-day Albany County. After the English had lost the Second Anglo-Dutch War, they sold
