KODAK ColorMunki Kodak is the current ruler of the home-image-rendition world, having been in this industry for a long time. They have many different cameras to choose from, with the most popular being the KODAK C15Z digital SLR camera and the KODAK C45Z digital SLR camera. Both of these cameras are equipped with a camera with a viewfinder and a control panel full of buttons, but it is the KODAK C15Z camera that uses the brand-new Control Panel Express. The Control Panel Express, shown in Figure 3-3, has a lot of buttons on it. This type of control panel enables the user to control settings for the camera, image, film, and more. It is an electronic control panel that allows the user to assign functions to buttons on the front of the camera. This is a very user-friendly way to use the camera. The camera not only has many options but also has a good, detailed manual that explains each option in detail. there is a showing of extraordinary circumstances, there is no presumption that the Court's exercise of jurisdiction was improper. *Equifax, Inc. v. FIS, Inc.*, 677 F.2d 1039, 1044 (4th Cir.1982). The burden of showing extraordinary circumstances to rebut the presumption that it is not fair to force the non-resident defendant to go to court in this forum rests on the party who would avoid it. *Id.* Plaintiffs state in their opposition to the motion to dismiss that they are a "remotely injured" victim of the fraudulent acts of Mr. and Mrs. Lange, a couple who was a "long time friend of Mr. Lentz." Plaintiffs further aver that Mrs. Lange was employed by Lentz at an office in which she made the preparation of the ERISA plan documents at issue. Neither party has alleged that Mrs. Lange was employed in any way by Financial Management Services. Plaintiffs state that Mrs. Lange would have access to the Financial Management Services' offices. *503 The fact of Mrs. Lange's involvement in the preparation of the documents at issue in this case is not enough to show any extraordinary circumstances, to avoid the exercise of jurisdiction. Although Plaintiffs describe in their opposition brief that Mrs. Lange was a "long time friend of Lentz," Plaintiffs do not allege that Mrs. Lange worked on this plan or that her friendship with Lentz was anything more than a normal friendship. Additionally, it is even more questionable that a friendship would suffice to show that it would be fair to force Mrs. Lange to defend this suit in this forum. IT IS, THEREFORE, ORDERED that Defendant's Motion to Dismiss (Doc. # 8) is hereby GRANTED, and the clerk is DIRECTED to enter judgment in favor of Defendant and against Plaintiffs. @import './variables'; @import './mixins'; .ais-advanced-search { flex: 0 0 auto; margin-top: 15px; .form-field { flex: 1 1 auto; margin: 0; padding: 8px; .input { border: 1px solid \$color-silver; } } } Q: Simple dynamic programming function didn't work I am new to dynamic programming in python.
