Teri Meherbaniyan 2015 720p (IT) - Download. Gries Gries is a commune in the Moselle department of the Grand Est region of north-eastern France. The inhabitants of the commune are known as Griesois or Griesoises Geography Gries is located some 30 km south-west of Sarreguemines and 7 km south of Étain-l'Abbaye. Access to the commune is by the D 930 road from Mairy in the north passing through the length of the commune and the village and continuing south-west to Saint-Aubin-sur-Moselle. The D 312 also passes through the east of the commune from Moucon in the north to Saint-Julien in the south-west. The commune is mostly farmland with some forest. The Ruisseau de Chamassy forms the eastern border of the commune as it flows south to join the Ruisseau de Vergnay in the commune of Villiers. The Ruisseau de Maudon forms the western border of the commune as it flows south to join the Ruisseau de Claramont some 17 km east of the commune. The Ruisseau de Finissur flows north then east through the village to join the Ruisseau de Claramont in the north of the commune. The Ruisseau de Belmont rises in the south of the commune and flows north-east to join the Ruisseau de Finissur some 5 km east of the commune. Neighbouring communes and villages Administration The commune is made up of 2 sub-prefectures The administration is composed of: forty-five departments and arrondissements (the exact number varies between different sources) the prefect The arrondissement of Sarreguemines and the two sub-prefectures are based in Sarreguemines. The sub-prefectures have been restructured since 2007 with Soultz-en-Vallois and Sarreguemines as their respective sub-prefectures. Politics Current National Assembly Representatives List of Successive Mayors (Not all data is known) Demography In 2009 the population was estimated to
