In this tutorial, I'll teach you how to make a sticker in Adobe Photoshop. To make a sticker in Photoshop: 1. Open Photoshop. 2. Go to File > New > File, then you'll see an image browser window. Click on the Choose folder icon at the top left. Then open 'yourpicture' folder by clicking on folder icon. 3. Click on image 2.jpg to select it. Then click on file icon, select JPEG type. 4.
