goal is to not only provide you with a detailed service plan, but also one that exceeds your expectations. We are not the typical motorcycle dealer who sells cheap, low-quality motorcycles and expects you to buy a second hand one when you don't have the money. We believe in our products and our customer service. To ensure a consistent level of service, we offer a parts and service program with all of our new and used motorcycles, with a variety of different levels of service options to meet your needs. If you do wish to sell your motorcycle, you can sell it to us as-is or we can provide you with a complete inspection and valuation of the vehicle on the premises, allowing you the opportunity to secure a fair and agreed upon price.
