Download!Advertisement Advertisement Technology and gadget news, analysis and tips Samsung Galaxy S II Rumors: Will It Be the American Version? Most people know that one day, one day, the Galaxy S II will be the 'new iPhone'. That means that the Galaxy S II will be a smartphone that we can buy once the iPhone 5 is released. The biggest news is that Samsung is allegedly working on the Galaxy S II for the American market. That's good news for American consumers and bad news for the rest of the world, but either way, we all know that the iPhone is going to be the new iPhone. The Galaxy S II is going to be Samsung's version of the iPhone. Samsung may not release the iPhone, but it's going to release the Galaxy S II. The Galaxy S II is going to be an updated version of the original Galaxy S. Will this make a difference? I'm not sure, but I'm guessing that there will be some differences. But at the same time, the Galaxy S II is going to be very similar to the iPhone.
